

College/Career Readiness Advising Week
March 12-16, 2012

www.operationpreparation.com

Kentucky students need YOU!

- ✓ Volunteer to talk with an 8th- or 10th- grade student about what they need to do to get ready for college and/or career
- ✓ In a 20-minute session you'll discuss:
 - The student's career interests and required education/training
 - Whether the student is on target to meet their goals
 - Courses the student needs to prepare them for a successful future
- ✓ Training provided

To Register:

Call a Webster County school of your choice or call Assistant Superintendent Alan Lossner at 639-0103 or email alan.lossner@webster.kyschools.us

✓ Volunteers will be required to:

- Complete a 30-minute online training
- Sign a confidentiality agreement
- Comply with all school district policies

An hour of your time can make a difference for a student and for Kentucky!
